Dear Dr. Mei,

I, Hartmut Michel, Nobel Prize Laureate in Chemistry of the year 1988, will join “Nobel Across China” in 2012, and will be a keynote speaker at the 2012 World DNA and Genome Day, which will be held in Xian, China, on April 25-30.

I am very delighted to see the steady economic growth and development of China in the past decade and even under current challenging economic situation. It is my great pleasure to visit China in the coming spring and promote the international educational and scientific exchange program of BIT Life Sciences. My CV, Biography, title and abstract of my speech will be forwarded to the organizing committee of the 2012 World DNA and Genome Day. I will be fully committed to the 2012 World DNA and Genome Day organized by BIT in Xi’an, China.

If you need any further information, please feel free to ask Dr. Xiaodan Mei.

Sincerely yours,
