### Confirmation Letter

Dear Dr. Mei,

I, Johann Deisenhofer Nobel Prize Laureate in Chemistry in the year of 1988, will join "Nobel Across China" in 2012, and will be keynote speaker at 2012 World DNA and Genome Day, which will be held April 25-30, Xian, China.

I am so delighted to see the steady economic growth and development of China in the past decade and even under current challenging economy situation. It's my great pleasure to visit China the coming spring and promote the international educational and scientific exchange program of BIT Life Sciences. My CV, Biography, title and abstract of my speech will be forwarded to the organizing committee of 2012 World DNA and Genome Day. I will be fully committed to 2012 World DNA and Genome Day organized by BIT in Xi'an, China.

If you need any further information, please feel free to ask Dr. Xiaodan Mei.

Sincerely yours,

Johann Deisenhofer
